The Honorable Rosa DeLauro

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the East Street and Kempton Road Project in fiscal year 2024. The entity to receive funding for this project is Town of Uxbridge, Massachusetts, located at 21 South Main Street, Uxbridge, MA 01569. The funding would be used for the design and construction of an elevated water storage tank and the replacement of the existing booster pumping station.

This project is an appropriate use of taxpayer funds because it will allow the Town to provide additional capacity and pressure for existing water users in both Uxbridge and Millville, and allow new residential homes to be added to the system. These improvements will also increase the water flows to strengthen firefighting capabilities in the area.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "James P. McGovern".
