The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Route 20 Corridor Improvements Project in fiscal year 2025. The entity to receive funding for this project is the Town of Shrewsbury, Massachusetts, located at 100 Maple Avenue, Shrewsbury, MA 01545. The funding would be used to complete the design phase of an overall project for box widening, pavement rehabilitation, intersection and signal improvements, and the construction of a shared-use path along State Route 20. The project is an appropriate use of taxpayer funds because it will enable critical traffic safety and efficiency improvements along one of the most heavily traveled highway corridors in the region.

The project has a federal nexus because the funding provided is for the purposes authorized by 23 U.S.C. 133(b).

I certify that I have no financial interest in this project, nor does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "James P. McGovern".
