The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Holliston Downtown Sewer District project in fiscal year 2026. The entity to receive funding for this project is the Town of Holliston, located at 703 Washington Street, Holliston, MA 01746. The funding would be used to build wastewater infrastructure in its growing downtown, enabling economic growth through proper environmental management. The project is an appropriate use of taxpayer funds because Holliston currently lacks sufficient water infrastructure to meet current and projected growth in the region, and this project will build on local financing to allow the town to meet its wastewater needs while spurring economic development.

The project has a federal nexus because the funding provided is for the purposes authorized by Title VI of the Clean Water Act (33 U.S.C. 1381 et seq.).

I certify that I have no financial interest in this project, nor does anyone in my immediate family.

Sincerely,

James P. McGovern  
Member of Congress
