The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Hilltown Community Health Centers Telemedicine Expansion project in Fiscal Year 2027. The entity to receive funding for this project is Hilltown Community Health Centers, located at 58 Old North Road, Worthington, MA 01098. The funding would be used to support the acquisition of HIPAA-compliant telehealth equipment, remote patient monitoring tools, and QI data infrastructure to enable real-time tracking of access, utilization, and outcomes. This project is an appropriate use of taxpayer funds because it will reduce barriers related to transportation, childcare, and workforce shortages while improving continuity of care.

The project has a federal nexus because the funding provided is for the purposes authorized by the Public Health Service Act.

I certify that I have no financial interest in this project, nor does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "James P. McGovern".
