The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Sholan Farms Water and Sewer Expansion in Leominster project in Fiscal Year 2027. The entity to receive funding for this project is the City of Leominster, located at 25 West Street, Leominster, MA 01453. The funding would be used to extend water and sewer systems and complete sidewalks in an area with no underground utilities and very little drainage. The project is an appropriate use of taxpayer funds because it will foster economic development by allowing for the expansion of Sholan Farms and assisting with housing development in an area that currently relies on wells and septic systems.

The project has a federal nexus because the funding provided is for the purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, nor does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "James P. McGovern".
