The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Church Street and Linwood Avenue Bridge Repairs in Northbridge project in Fiscal Year 2027. The entity to receive funding for this project is the Town of Northbridge, located at 11 Fletcher Street, Northbridge, MA 01588. The funding would be used to repair two bridges on Church Street and one bridge on Linwood Avenue to address structural deficiencies and preserve their long-term functionality. The project is an appropriate use of taxpayer funds because it will help maintain safe and reliable transportation corridors for residents, emergency services, businesses, schools, and visitors.

The project has a federal nexus because the funding provided is for the purposes authorized by 23 U.S.C. 133.

I certify that I have no financial interest in this project, nor does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "James P. McGovern".
