The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Pumper Fire Truck in Conway, MA project in fiscal year 2026. The entity to receive funding for this project is the Town of Conway, located at 32 Main Street, Conway, MA 01341. The funding would be used to purchase a replacement pumper fire truck for its volunteer fire department. The project is an appropriate use of taxpayer funds because the town of Conway needs to replace its pumper fire truck. The current International 4400 pumper is from 2002 and having proper equipment is essential for them to carry out their duties.

The project has a federal nexus because it is authorized under Section 306 of the Consolidated Farm and Rural Development Act (7 U.S. Code section 1926(a)).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

James P. McGovern
Member of Congress
