Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Anna Maria College project in fiscal year 2023. The entity to receive funding for this project is Anna Maria College located at 50 Sunset Ln, Paxton, MA 01612. The funding would to upgrade the clinical simulation lab for nursing, paramedic, and other health professional training and education. With AMC serving as a leader in the region for training and producing qualified health professionals, this funding request will benefit the community by ensuring that we can continue serving the region's growing medical workforce needs. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
James P. McGovern
