The Honorable Kay Granger
Chairwoman
House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Goshen Highway Facility in fiscal year 2024. The entity to receive funding for this project is the Town of Goshen, Massachusetts, located at 40 Main Street, Goshen, Massachusetts 01032. The funding would be used for construction of a highway facility to house the town's road safety vehicles and equipment. The project is an appropriate use of taxpayer funds because the town's current, aging facility is insufficient to meet the infrastructure needs of the population, which faces severe, weather-related road safety challenges.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

James P. McGovern
Member of Congress
