Honorable Kay Granger

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for municipal sewer upgrades for Northborough, MA in fiscal year 2023. The entity to receive funding for this project is the Town of Northborough, located in Worcester County, Massachusetts.

The funding would be used to address pressing pump station technology and security needs by upgrading sewer pump stations managed by the town, allowing for more effective and efficient monitoring of water quality. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "James P. McGovern".
